Why should I join?

The FDRLO provides a local forum for discussing issues of importance to the military and civilian residents of the North Country.

Members of FDRLO positively:

- Influence community relationships;
- Assist officers and the Board of Directors in setting the annual agenda;
- Contribute to important community decisions;
- Support the continued improvement in the quality of life throughout the region;
- Volunteer human and financial resources;
- Contribute to the future of Fort Drum and the North Country community.

Meetings

Annual meetings of all members are called by the Secretary during the month of June. Officers and Directors are elected at the annual meeting and begin service immediately.

Board of Directors' meetings present open forums on a quarterly basis or more frequently if necessary.

Mission:

To foster effective communication, understanding and mutual support by serving as the primary point of coordination for resolution of those issues which transcend the specific interests of the military and civilian communities of the Fort Drum region.

Goals

1. Ensure the long-term viability of Fort Drum.
2. Continue to improve understanding between the military and community leaders in solving problems of mutual concern.
3. Secure full participation by military and community leaders in solving problems of mutual concern.
4. Provide continuity in community relations to bridge the frequent changes in military and community leaders in carrying out their mutual responsibilities.
5. Establish a communication network that will assist the military and community leaders in carrying out their mutual responsibilities.
